Agency in Action: Digital Portfolios 2027

Digital Portfolios 2027

Oide is excited to announce a new phase of the **Digital Portfolios initiative: Agency in Action,** set to take place from January to June 2027.

This professional learning initiative that explores how **digital portfolios, assessment practices** and **Universal Design for Learning (UDL)** can work together to **enhance learner agency**, grounded in the vision of the Primary Curriculum Framework. **Two teachers** per school can apply to participate in this project.

Expression of interest form

If you wish to participate in this initiative, please complete this form. Closing date is **Friday 20th November at 5pm**. Successful schools will be informed in due course.

Visit tiny.cc/Agency27 or scan the code to apply
