AGENCY IN ACTION: DIGITAL PORTFOLIOS 2027

INFORMATION SESSION

Join us for an online information session exploring Agency in Action: Digital Portfolios, an exciting professional learning initiative designed to support teachers in placing learners at the heart of their learning journey.

Grounded in the vision of the Primary Curriculum Framework, Agency in Action explores how digital portfolios, assessment practices and Universal Design for Learning (UDL) can work together to foster greater learner agency.

This information session will outline the support schools will receive across the project period, including:

- FACE-TO-FACE PROFESSIONAL LEARNING EXPERIENCES
- IN-SCHOOL SUPPORT VISIT

Monday 9th November
15.15-15:45
