Supporting the Professional Learning of School Leaders and Teachers

Developing Students' Analysis and Understanding Through Storytelling Webinar

This webinar will seek to provide support for all post-primary English teachers in developing students' analysis and understanding through storytelling.

Our Focus for this Webinar is:

• Explore storytelling as a unifying structure across short stories, film, music videos, and other multimodal texts in the English classroom.

• Model practical strategies that develop students' reading comprehension, critical engagement, expression, collaboration, and agency.

Date	Venue	Time
Wednesday 25th November 2026	Online	19:00-20:00
