

# L1LPs & L2LPs Team

*"If a child can't learn the way we teach, perhaps we should teach the way they learn"*

– Ignacio Estrada

We hope you are starting to get that festive feeling with Christmas just around the corner!

It has been a pleasure meeting some of you over the past number of weeks at our subject cluster days. Please see below the link to the Padlet we use on the day of the subject clusters. Through this Padlet, you can access the slides from the presentation, key documents for junior and senior cycle L1LPs & L2LPs, and the case studies we discuss in our activities during the Cluster days.

# Teacher Professional Learning (TPL) Supports Available

## General Information

As per [Information Note TC 0006/2024](#), there will be “two school closure days during 2024/25, to facilitate whole-school planning and self-evaluation as well as subject-specific Teacher Professional Learning (TPL) [which] will focus on aspects of both Senior Cycle and Junior Cycle planning and subjects respectively.”

For information on these days and how to avail of these supports, see below.

## Mainstream School Supports:

# Senior Cycle Learning Programmes: Level 1 & Level 2

The NCCA have published the following curriculum areas for Senior Cycle Learning Programmes:

- Senior Cycle Learning Programmes Level 1 and Level 2: Programme Statement
- Level 1
  - Communication and Literacy
  - Numeracy
- Level 2
  - Communication and Literacy
  - Numeracy

All these documents are available for schools who wish to implement them, they can be found [here](#).

The NCCA are seeking expressions of interest from teachers, educators or researchers with expertise in the area of Level 1 Learning Programmes to join their Post-primary Special Education Development Group.

Please click [here](#) for more information
