Prompts to Support Planning

Oide

What learning outcomes will I choose?
What will students learn about?
What should students know understand and be able to do?
What key skills/competencies might be activated?

What learner experiences/activities will I include?
What pedagogies and approaches will I use?

Teacher Reflection:
What worked well?
What can be improved?
How can it be improved?

What is the class profile?
Who are my students?

What supporting materials/resources will I need for this unit of learning?

Are there any further considerations?

What are the considerations for ongoing assessment?
How will I gather and capture evidence of learning?
