Activity for students

Task: You are interviewing William Shakespeare and have been asked to create an introduction to the podcast.

Using Rally Coach as your guide:

1. In pairs, listen to this [introduction from an episode of Desert Island Discs](#), note the different elements of the introduction.
2. Discuss the different aspects you have noted. Are there any similarities/contrasting points? Discuss how you will apply this to your introduction for Shakespeare.
3. Agree, question and rephrase your introduction focusing on word choice and coherency.
4. Student A will write the intro with oral support from Student B.
5. Finally, create a playlist for what you consider to be the defining moments of Shakespeare's life.

Extension Activity: using AI create the cover to this podcast.
