BLOOM'S TAXONOMY

QUESTIONS FOR READING

Remembering

When and where is the text set?
Who are the main characters? What do the characters look like?
How does the text begin/end?

Understanding

What is the text about?
From what perspective is the text told?
What is happening in this text?
What is your favourite part of the text? Why?

Applying

Can you think of a text with a similar theme?
Have you had a similar experience to one in the text?
Can you think of an author with a similar style?

Analysis

How does the author use imagery to show how a character is feeling?
Why did the author use this language? Explain your reasoning.

Evaluating

Which text is better? Why?
Which text is more persuasive?
Did it have an effective ending?
Who would you recommend this text to?

Creating

If you were one of the characters, how would you react to a key moment?
Have the views in this text affected your opinion? Why? How?
