Primary Droichead Information Session for Principals 2024.2025

The Droichead Induction Division will host a number of professional learning events for principals over the coming months. These events will support and inform principals about *Droichead: The Integrated Professional Induction Framework*.

The events are being organised in response to and in support of principals who wish to fulfil their role in fostering 'a learning culture in which Droichead can flourish and support the Professional Support Team (PST) in facilitating a quality induction process' (Droichead Policy, 2017 p.7). These two-hour events will take place online via Zoom and will be facilitated by the Droichead Induction team.
