I was working in the lab, late one night, when my eyes beheld an eerie sight

For my monster from his slab, began to rise and suddenly to my surprise

(He did the mash) He did the monster mash, (The monster mash) It was a graveyard smash

(He did the mash) It caught on in a flash (He did the mash) He did the monster mash

From my laboratory in the castle east, to the master bedroom where the vampires feast

The ghouls all came from their humble abodes, to get a jolt from my electrodes

(They did the mash) They did the monster mash, (The monster mash) It was a graveyard smash

(They did the mash) It caught on in a flash (They did the mash) They did the monster mash
