

# Leaving Certificate Music All Set?

The Oide Music team is pleased to invite teachers to attend our in-person Professional Learning Event (PLE) entitled 'All Set?'

**Learning together**, we will explore different pedagogical strategies to...

- map the Set Works for our 5th and 6th-year students
- understand, identify, and describe the musical features used
- study the musical style, its historical context, and stylistic features
- analyse and describe the repetition and changes in the themes
- make comparative judgements about the music

**In response to Teachers, this is a REPEAT event from our Spring Sessions 2024.**

For sharing, reflection, and collaboration please bring a full charged WIFI tablet or laptop. Tea/Coffee will be provided at 9:30am during registration.
