Effective Planning in the Second-Level Music Classroom

7:00 – 8:30pm

This interactive workshop, for all teachers of Music, shares learning about second-level Music curricula, and explores pedagogic strategies and planning considerations for effective learning and teaching.

Wednesday
7th May
Online

There's No Business Like Show Business
Inside and Outside the Classroom

7:00 – 8:30pm

This workshop considers how the learning inherent in putting on a school musical can be relevant to the learning inside the Music classroom. Through a panel discussion, teachers share effective and efficient practices, learning and supports about producing a musical both inside and outside the classroom.
