**Droichead - PST and NQT Roles and Responsibilities - Primary**

**Droichead**  
*The main objective of the Droichead process is to **support the professional learning of NQTs** during the induction phase, thus **laying the foundations for subsequent professional growth and learning** for the next phase of their career.*  
(Teaching Council, 2017, p. 3)

**Droichead and the PST - Role and Suggested Responsibilities**

Supporting an NQT through Droichead is always a collaborative process. The dual role of the PST is to:

- guide and advise the NQT during school-based induction, in the first stages of their professional journey
- form a joint declaration with the NQT that they have participated in a quality teaching and learning process.

(Teaching Council 2017)

**PST Suggested Responsibilities**

*Supporting a NQT during Droichead is always a collaborative process, although the roles and responsibilities of PST members may vary in different school contexts and are therefore agreed before the Droichead process commences.*  
(Teaching Council, 2017, p. 3)

To guide a PST in its roles, some suggested responsibilities are identified below. The list is neither exhaustive nor prescriptive and is open to customisation by a PST. While responsibilities relating to support and mentoring relate to all team members, a PST may designate some of the other responsibilities to identified individuals within the team.

The PST will share its roles and agreed responsibilities with the NQT at their initial meeting.

1

Oide.ie

Supporting an NQT through Droichead is always a **collaborative** process, as the PST:

- **guides and advises** the NQT during school-based induction, in the first stages of their professional journey
- forms a **joint declaration** with the NQT that they have participated in a quality teaching and learning process

## Droichead Requirements

Complete a period of professional practice in an eligible setting

Contract/offer of employment of 60 days or more in the same setting

Job-sharing contract for the full academic year or a contract of 12.5 hours minimum per week for the full academic year

Early Intervention classes are not eligible settings for the Droichead process

NQTs should remain in the same setting for the duration of their Droichead process

### Droichead - Key Steps - Primary

#### Preparing for a Newly Qualified Teacher (NQT)

- 1. Registering and Training**
  - Select the Professional Support Team (PST) members
  - Register for training: <https://oide.ie/droichead/> or contact [primarydroicheadsupport@oide.ie](mailto:primarydroicheadsupport@oide.ie)
  - The PST attend training with the Droichead Induction Division
- 2. Planning the process**
  - Initial PST meeting/s
  - Agree PST and NQT Roles and Responsibilities
  - Prepare a draft Droichead Outline Plan
  - Finalise the Welcome Pack
  - Begin to formulate the Induction Policy
  - Arrange presentation to whole staff

Please see [Strand A: School-based Induction](#) for relevant samples and templates referenced above.

#### Engaging in the process with an NQT

- 3. Activating the process**

NQT applies online via [www.teachingcouncil.ie](http://www.teachingcouncil.ie) to commence the Droichead process. The NQT provides the school's PST with a copy of the confirmation email received from the Teaching Council. The Droichead process begins upon receipt of this email **and** when a minimum of two PST members have fully completed the first two days of PST Training.
- 4. Beginning the process**

The PST arranges an initial meeting with NQT. Sample agenda available on [Strand A: School-based Induction](#)
- 5. During the process**

The PST and the NQT use the Droichead standards to guide the process. The PST arranges regular meetings and professional conversations for the PST themselves, as well as for the PST with the NQT and these should include **quarterly reviews**. The NQT may select relevant items from their Taisce as a focus for the professional conversations, which are central to the Droichead process.

In collaboration with the NQT, the PST provides appropriate induction activities in line with the NQT's emerging needs, including the aforementioned professional conversations. The PST and NQT maintain records of the school-based induction activities. The PST liaises with the Droichead Induction Division via the school's nominated Link Person.

NQTs engage in **one cluster meeting per term**. Information regarding Cluster Meetings, including the Cluster Meeting Calendar and Cluster Meetings: Important Information and Protocols for NQTs, is available on the [Cluster Meetings section](#) of our website. NQTs should also engage in one other professional learning activity, identified by themselves in accordance with their professional learning needs, in consultation with the PST.
- 6. Concluding the process**

NQT and PST have a professional conversation nearing the conclusion of the process. NQT downloads Form D by logging into the portal on the Teaching Council website. The Joint Declaration (included on Form D) is signed by the NQT and the PST members who supported the NQT during the process. Form D is then re-uploaded in its entirety (all 5 pages) to the portal by the NQT. Having reviewed Form D, the Teaching Council will then remove the Droichead condition from the teacher's registration. It is recommended that the Principal and the PST, with input from the NQT/s, review the Droichead process with a view to enhancing the process (if required) for the next year.

## Droichead Standards and Induction Plan

The Teaching Council established three standards to support the Droichead process, in guiding the Newly Qualified Teacher (NQT) and Professional Support Team (PST), in relation to NQT professional learning and practice.

Through their engagement in the Droichead process, the NQT will:

1. have engaged professionally with school-based induction and additional professional learning activities
2. have shown their professional commitment to quality teaching and learning for their pupils/students
3. have engaged in reflective practice that supports their professional learning and practice, both individually and collaboratively.

Droichead Standard	Looking at our School (2022) Statement of Practice	Area to Strengthen	Induction Activity
	<i>The statements of practice within Looking at Our School (LAOS) (2022) support NQTs, in collaboration with their PST, to consider effective practice in areas of strength and in areas to strengthen further.</i>	<i>NQTs' area to strengthen are emergent and identified throughout the Droichead process.</i>	<i>Related induction activities are identified in response to emergent areas to strengthen.</i>
<b>Exemplar</b>			
Standard 2: The NQT will have shown their professional commitment to quality teaching and learning for their pupils/students	Teachers are aware of pupils' individual learning needs, interests and abilities and adapt learning and teaching practices accordingly (p.31)	Extending learning opportunities in reading for exceptionally able pupils within the class.	Review the NCCA's 'Exceptionally Able Students – Draft Guidelines for Teachers'  Review NCSE Resource 'Exceptionally Able Students and PLC Resources'  Check-in meeting between NQT and PST member if required following review of above resources.
