Droichead Standards and Induction Plan

The Teaching Council established three standards to support the Droichead process, in guiding the Newly Qualified Teacher (NQT) and Professional Support Team (PST), in relation to NQT professional learning and practice.

Through their engagement in the Droichead process, the NQT will:

1. have engaged professionally with school-based induction and additional professional learning activities
2. have shown their professional commitment to quality teaching and learning for their pupils/students
3. have engaged in reflective practice that supports their professional learning and practice, both individually and collaboratively.

Droichead Standard	Looking at our School (2022) Statement of Practice	Area to Strengthen	Induction Activity
	<i>The statements of practice within Looking at Our School (LAOS) (2022) support NQTs, in collaboration with their PST, to consider effective practice in areas of strength and in areas to strengthen further.</i>	<i>NQTs' area to strengthen are emergent and identified throughout the Droichead process.</i>	<i>Related induction activities are identified in response to emergent areas to strengthen.</i>
Exemplar			
Standard 2: The NQT will have shown their professional commitment to quality teaching and learning for their pupils/students	Teachers are aware of pupils' individual learning needs, interests and abilities and adapt learning and teaching practices accordingly (p.31)	Extending learning opportunities in reading for exceptionally able pupils within the class.	Review the NCCA's 'Exceptionally Able Students – Draft Guidelines for Teachers' Review NCSE Resource 'Exceptionally Able Students and PLC Resources' Check-in meeting between NQT and PST member if required following review of above resources.

Droichead - Observation of the NQT (Sample) – Primary

Please note: This sample is for illustrative purposes only. In practice, this agreed record would be completed by the NQT during the post-observation discussion with the PST member and signed by both.

Post-observation Record - NQT being observed by PST member	
NQT: S O'M Class: Junior Infants PST Member: GH	Date: 1st February Venue: NQT's classroom
Focus of this observation: - How effective is the questioning in supporting the inclusion of all learners/differentiation and assessment? - To what extent are the pupils learning? - What is contributing to the learning? - What is obstructing the learning?	
Strengths (from the following 4 perspectives): Teaching - clear learning objectives, good questioning techniques, activated prior knowledge and made links with prior learning (sorting & 3D shapes), modelled thinking aloud, use of Gaelige Learning - the children were actively engaged, use of the classroom environment, group work activities, hands-on learning with manipulatives, opportunities to use related and new vocabulary Assessment - good questioning, use of thumbs up strategy Management - lots of evidence of classroom management strategies, e.g. appointing leaders, hands on laps, 3,2,1, good rapport, safe space to make mistakes, positive reinforcement of good behaviours distribution of resources, verbal & non-verbal praise, prior preparation of materials.	Area(s) for development: - Timing and pacing of lesson - Modelling and explanation of activities - establish that children fully understand activity (turn-taking) - Thinking through the use of materials fully from the perspective of the children, e.g. use of <i>Blu Tack</i> versus shape magnets and using a bigger display chart.
Key Priorities at this time: - Timing and pacing of lessons - Clear explanation of activities to the pupils.	Actions to be taken, by whom: - NQT to consider the amount of content in their lessons to enable them to address all elements of each lesson - Consideration to be also given to allowing adequate time for the explanation of and engagement in activities and assessment.
Support required None. NQT will put suggestions into practice in the classroom and consult the PST for support as required.	Review, by whom and when: NQT and PST member week of the 6th of March.
Signatures: NQT: PST member:	Date:

Droichead and the PST – Role & Suggested Responsibilities**The Droichead Process**

*“The main objective of the Droichead process is to **support the professional learning of NQTs** during the induction phase, thus **laying the foundations for subsequent professional growth and learning for the next phase of their career**”*
(Teaching Council, 2017, p3).

PST Role

Supporting an NQT through Droichead is always a collaborative process. The dual role of the PST is to:

- guide and advise the NQT during school-based induction, in the first stages of their professional journey.
- form a joint declaration with the NQT that they have participated in a quality teaching and learning process.

PST Suggested Responsibilities

To guide a PST in its role, some suggested responsibilities are identified below. The list is neither exhaustive nor prescriptive and is open to customisation by a PST. While responsibilities relating to support and mentoring relate to all team members, a PST may designate some of the other responsibilities to identified individuals within the team.

The PST will share its role and agreed responsibilities with the NQT at their initial meeting.

‘Don’t be afraid of the observations, it is a supportive process.’

‘Embrace it, don’t worry about it - this process is there to support and guide you as an NQT. The learning is invaluable.’

‘Teaching is demanding - ask for help when needed, and celebrate your small wins along the way.’

‘Don’t see Droichead as a checklist — see it as a chance to grow into the teacher you want to become.’

‘Embrace the process with an open mind and be patient with yourself.’

Next Step: Cluster Meeting 2

- Cluster Meeting 2 (CM 2) is facilitated online via Zoom in English and as Gaeilge (CC 2)
- NQTs register for Cluster Meeting 2 via www.oide-droichead.com
- Once you have registered for CM 2, you will receive an email with a Zoom link confirming your place on your selected date
- Dates for CM 2 are released regularly on www.oide-droichead.com in Term 2 and Term 3

Droichead - Cluster Meeting Calendar - 2025.2026

1 Apply for Droichead via the 'My Registration' portal on www.teachingcouncil.ie

2 Receive a confirmation email from the Teaching Council, prior to registering for Cluster Meeting 1 (CM 1)

3 Go to www.oide-droichead.com to register for cluster meetings

4 Select and book the cluster meeting that you wish to attend

NQTs are required to attend one cluster meeting per term for the duration of their Droichead process (specific to their route of registration i.e. primary or post-primary). Repeat Step 4 to book each cluster meeting when dates become available.
