Arrangements for the completion of Classroom-Based Assessments 2025/2026

September 2025

Student cohort 2023 - 2026 (students in 3rd year in 2025/2026)

Due to the impact of school closures and disrupted periods of learning experienced by students as a result of the Covid 19 pandemic, revised assessment arrangements were introduced.

As announced in April 2024, the following revised assessment arrangements will be in place for students in third year in the school year 2025/26.

- Each student must complete a minimum of one CBA in each subject and one CBA in each short course. Students from this cohort will not be required to complete Assessment Tasks.
- Schools have autonomy to decide whether to complete one or two CBAs in each subject.
- There will be some exceptions to the choices made by schools:
 - to ensure assessment of oral communications skills, students must complete **CBA 1: Oral Communication** in **Modern Foreign Languages** and **CBA 2: Interacting through Irish**.
 - as they are linked in each case with the final examination in the subject, students studying **Visual Art, Home Economics, Music, Applied Technology, Engineering, Graphics** and **Wood Technology** must complete CBA 2.
- In **Visual Art**, one CBA must usually be presented in 3D. This requirement is waived for students in third year in 2025/26.
- In **Physical Education** students in third year in 2025/26 are required to complete a minimum of one Classroom-Based Assessment.

Please note that the latest date for completion of CBA1 in all subjects was May 2025 and has now passed.
