Buntáistí an Próiseas Droichead

Oide

I had an amazing PST who made me feel supported and treated me as a professional.

It's great to get feedback from other teachers that doesn't involve grading. It is very positive.

My PST gave me lots of support throughout the year leading to a positive year of learning for me.

My PST members encouraged me to teach to my style and I felt supported to do my best.

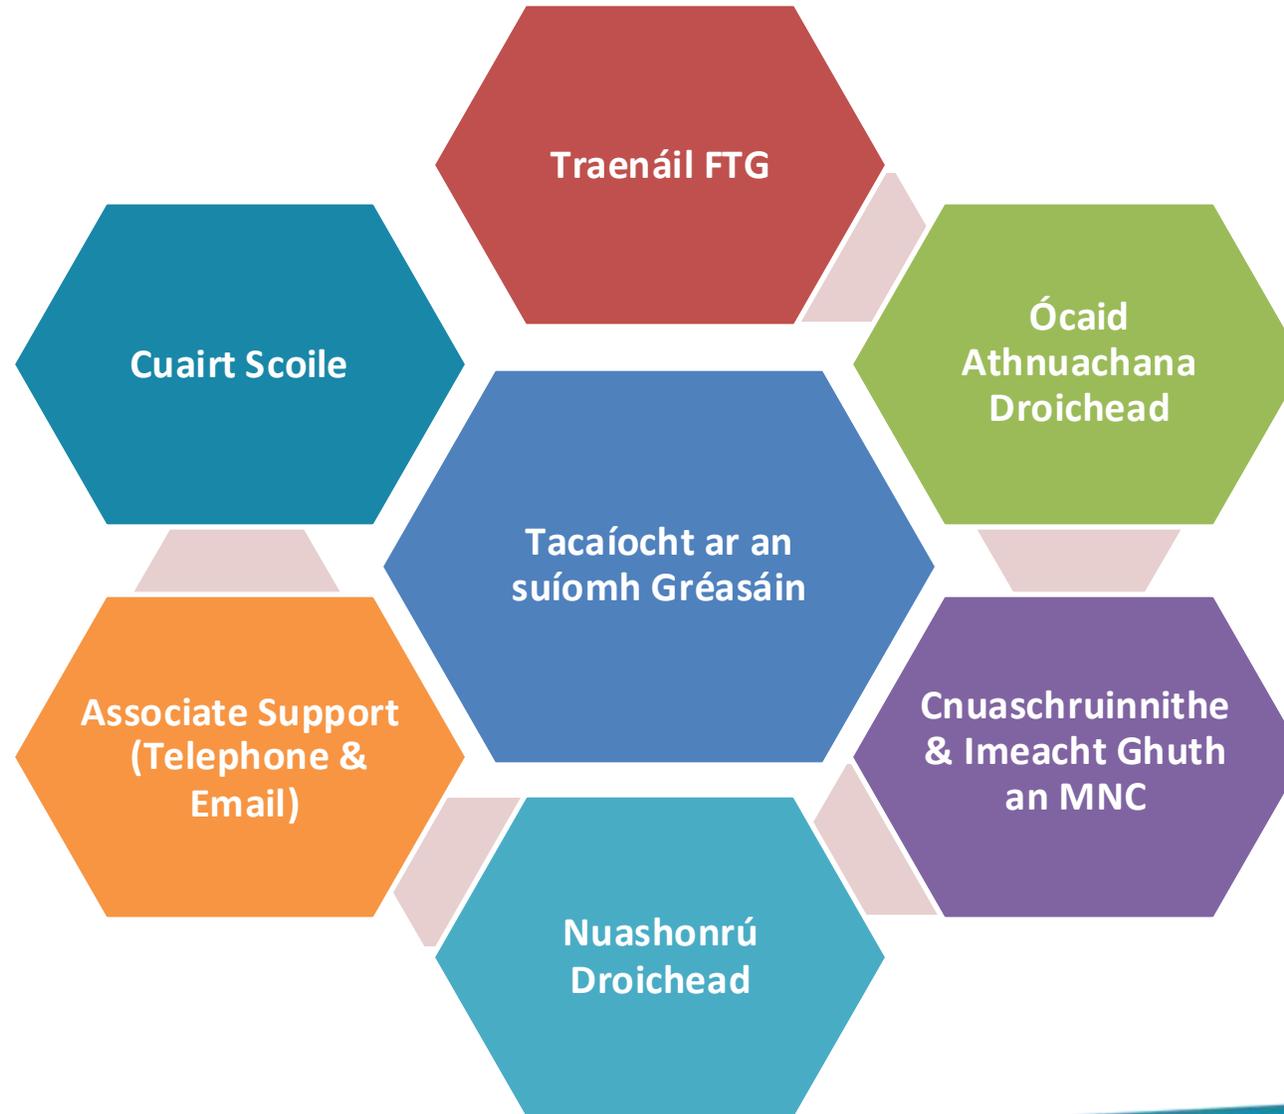

I developed through observation of others and on-hand constructive feedback from the PST.
