

Droichead: Term 2

New Face-to-Face PLE:

Strengthening the Mentoring Mindset for Established PSTs

Register for our PLE for experienced PST members. This unique cross-sectoral event aims to deepen understanding of the mentor role while building skills in listening, questioning and mediating professional conversations to foster strong, supportive mentoring relationships. Taking place from 9.30am to 3.30pm in selected Education Support Centres. Further information below.

Please Note:

- Registration for Cluster Meeting 2 for NQTs opened on January 6th and Cluster Meeting 1 on January 12th at oide-droichead.com. Please click on the link to access the [Cluster Meeting Calendar for 2025.2026](#).
- School closure days are not acceptable as the Additional Professional Learning Activity (APLA) for NQTs.
- NQTs must be observed firstly in their own setting i.e. the setting they are contracted to teach in.
- The [Droichead Outline Plan](#), should be completed by the PST in collaboration with the NQT to guide the Process.
- Closing for applications for Droichead 2025.2026 is Monday March 9th.
- Release time is available to support induction activities in your school. Click the link to access Release Time Information at oide.ie.
- The Droichead Induction Division is now on Instagram, providing up-to-date information on a regular basis. Please follow us on [@oidedroicheadinduction](#).

Please see below the Term 2 Professional Learning Events (PLE) and scan the QR code to apply.
