Welcome Back Updates

A chairde,

We hope you are all settled back and had a lovely, peaceful break. As we look ahead to another busy year, we are excited to offer a range of Professional Learning Experiences (PLE) throughout the year.

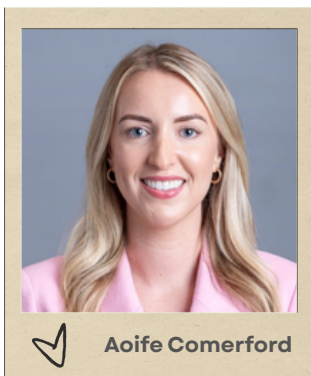

On 24 September, we will be re-running our Visual Studies elective PLE. This will explore the interconnections between the Visual Studies Framework elements and artwork, providing an opportunity to deepen understanding and consider how these elements can be applied in practical art. Our subject cluster days will begin on 29 September. This year, all subject cluster days will be held in person, providing a valuable opportunity to connect, collaborate and share ideas with colleagues.

Keep an eye out for details of other PLE opportunities throughout the year. We look forward to meeting you all!

Tá súil againn go bhfuil sibh go léir socruithe ar ais ar scoil agus go raibh brise álainn, suaimhneach agaibh. Agus sinn ag féachaint romhainn ar bhliain eile gnóthach, táimid tógtha faoi réimse Eispéiris Foghlama Gairmiúla a chur ar fáil i rith na bliana. Ar 24ú Meán Fómhair cuirfidimid an ceardlann roghnach Amharcstaidéir ar fáil arís. Tosóidh na cnuas-laethanta ar 29ú Meán Fómhair. Beidh na cnuas-laethanta ábhair ar fad aghaidh ar aghaidh i mbliana, ag ofráil deis iontach chun nascanna a chruthú, comhoibriú lena chéile agus smaointe a roinnt. Coimeád súil amach le haghaidh ceardlanna eile roghnacha i rith na bliana. Táimid ag tnúth le bualadh libh!

Art Professional Learning Experience Interconnections between Visual Studies and Artwork

This professional learning experience (PLE) will focus on the interconnections between the Visual Studies Framework elements and artwork. Participants will also have the opportunity to: Critically explore interconnections between Visual Studies, the framework elements and practical and written work. Reflect on, identify and evaluate current classroom practices.

Due to popular demand we are re-running this PLE from last year.
