

AI for Leaders:

Purpose, Planning, Policies and Practice

A full day Professional Learning Experience for Primary Principals and Deputy Principals.

Participants will explore the 4P Approach:

- **Purpose:** Consider the 'why' for using AI in your school
- **Practice:** Reflect on best practice and effective prompting
- **Policy:** Identify key updates for school policies
- **Planning:** Use the Digital Learning Framework to plan for the ethical and responsible integration of AI across your school
