Supporting the Inclusion of EAL Learners in Primary Schools

Two-Part Online Professional Learning Experience

This two-part interactive Online Professional Learning Experience (PLE) is for mainstream and SET/EAL teachers who are supporting the inclusion of EAL learners in their schools. It explores how knowledge of EAL learners, the redeveloped curriculum, and suitable pedagogical approaches are central to supporting EAL learners in schools. Opportunities will be provided over two online sessions for sharing of knowledge, practices and approaches.
