Leaving Certificate Computer Science

PLE to introduce the new Curriculum Specification for September 2027

This Professional Learning Experience (PLE) supports teachers in exploring the new Curriculum Specification for Leaving Certificate Computer Science (LCCS).
Participants will work collaboratively to explore:

- The learning outcomes of the LCCS specification, focusing on student-centred approaches to teaching, learning, and assessment in the LCCS classroom
- The relationship between the learning outcomes and action verbs in the LCCS specification and reflect on how these may enhance teaching, learning and assessment in the LCCS classroom
- Using computational thinking aids to improve student accessibility in the LCCS classroom
- The benefits of developing students' digital portfolios as an ongoing resource to document and showcase learning, support reflection and self-directed learning, develop communication skills, and provide a repository of reports and computational artefacts to support completion of their Coursework Project
- Planning for teaching, learning and assessment in LCCS

Date	Time	Venue
Monday, 11th January 2027	9:15 a.m. - 3:45 p.m.	Drumcondra ESC
Monday, 11th January 2027	9:15 a.m. - 3:45 p.m.	Galway ESC
Monday, 11th January 2027	9:15 a.m. - 3:45 p.m.	Laois ESC
Tuesday, 12th January 2027	9:15 a.m. - 3:45 p.m.	Navan ESC
Thursday, 14th January 2027	9:15 a.m. - 3:45 p.m.	Donegal ESC
Thursday, 14th January 2027	9:15 a.m. - 3:45 p.m.	Cork ESC
Monday, 18th January 2027	9:15 a.m. - 3:45 p.m.	Dublin West ESC
Monday, 18th January 2027	9:15 a.m. - 3:45 p.m.	West Cork ESC
Tuesday, 19th January 2027	9:15 a.m. - 3:45 p.m.	Monaghan ESC
